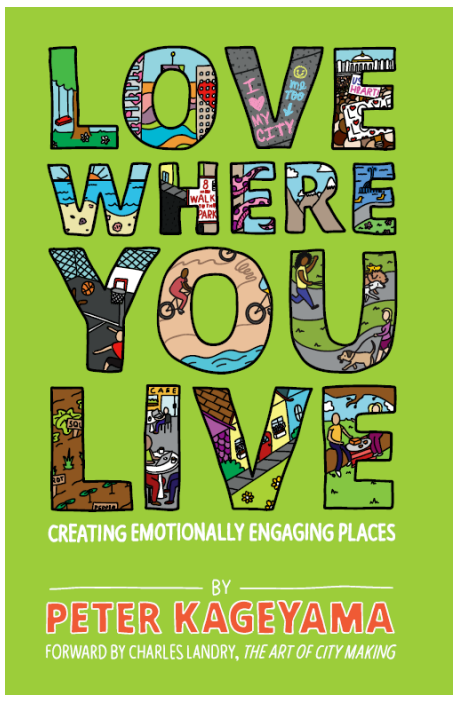
For the Love of Kenmore

Community Workshop Hosted by
the City of Kenmore @ City Hall
April 7, 2015 6 pm to 9 pm

Led by internationally recognized author and community engagement expert Peter Kageyama.

Most of us know what to do and who to call when we see a pothole in the road, but many of us don't know where to begin or how to ask for things like beauty, good design, art, creating a sense of place, and bringing people together.

Peter Kageyama, the author of *For the Love of Cities* and *Love Where You Live*, is an expert in community and economic development. During the workshop, Peter will lead us through discussions and activities aimed at harnessing what we love about Kenmore into tangible action and results that will produce more citizen engagement, ownership, and emotional attachment with our city.



Check out the **Volunteer Fair** from 4pm to 6pm
and discover volunteer opportunities and organizations in the area.
