CITY OF KENMORE, WA COMMERCIAL AND MULTI-FAMILY CHECKLIST

18120 68th Ave NE, Kenmore, WA 98028

425-398-8900

www.kenmorewa.gov

Staff use Area	Permit Number: _____	Date Stamp
	Project Number: _____	
	Related Permit(s): _____	

1 A Permit Application needs to be completed and submitted with this checklist. This checklist identifies the minimum requirements and number of copies the applicant must submit for the City of Kenmore to accept the application. Should any of the following minimum items not be provided, the application will not be accepted at the counter. Acceptance does not deem the application complete.

2 Property Address: _____

Project Name: _____

Zoning: _____

3 Type of Work (check all that apply) Description

New Building ^{DRT} _____

Addition to Existing Building ^{DRT} _____

Change of Occupancy Group ^{DRT} _____

Change of Occupancy Use ^{DRT} _____

Interior Alterations _____

Exterior Alterations _____

Repair _____

Existing Building _____

4	New or Existing Building Information	Story/Level	Occupancy Group	Occupancy Use	Gross Area(s)	Type of Construction	ICC BSJ Value
	Total # of Stories			Total Gross Building Area		Total:	

Staff Use

5	Building Information After Proposed Changes	Story/Level	Occupancy Group	Occupancy Use	Gross Area(s)	Type of Construction	ICC BSJ Value
	Total # of Stories			Total Gross Building Area		Total:	

Staff Use

6	Total Estimated Project Cost: _____ King County's Assessor's Office Valuation of the Structure: _____																																						
7	$\frac{\text{Total Impervious Area}}{\text{Lot Square Foot}} \times 100 = \% \text{ of Coverage}$ <div style="text-align:right; margin-right: 100px;">Allowed Coverage per KMC</div>																																						
8	Base height allowed per KMC	Allowed height increase for setbacks	Maximum height of building allowed	Benchmark location and description	Benchmark elevation	Finished floor elevation	Average finished grade	Highest point of roof	Building height																														
9	State Building Code Edition: _____ Automatic Sprinkler System: N <input type="checkbox"/> , Y <input type="checkbox"/> ; Type: _____ Used for 1-hour fire-resistive substitution: N <input type="checkbox"/> , Y <input type="checkbox"/> Building is designed as Non-separated uses: N <input type="checkbox"/> , Y <input type="checkbox"/> : Building is designed as Separated uses: N <input type="checkbox"/> , Y <input type="checkbox"/>																																						
10	Mechanical included in project: N <input type="checkbox"/> , Y <input type="checkbox"/> Plumbing included in project: N <input type="checkbox"/> , Y <input type="checkbox"/> Note: A separate permit is required for mechanical and/or plumbing. Please complete and submit the mechanical and/or plumbing checklist. If these systems are not included with this submittal they will need to be listed as a deferred submittal on the plans.																																						
11	Green Certification Level: _____																																						
<p>Submittal Requirements: Applicant, please check each box under the applicant heading on this checklist to confirm items included in your submittal. If you think an item is not applicable, you must contact the appropriate department prior to your intake, to have the item(s) initialed as not required.</p> <p># of Copies: The first number is the amount of copies required for new, addition, change of group or use, and the second number is the amount of copies required for interior work or repairs to structures.</p>
