

## CITY OF KENMORE

### BUSINESS REGISTRATION PROGRAM

The City Council adopted Ordinance No. 13-0356 on April 22, 2013 which establishes an annual Business Registration Program for businesses that are physically located in Kenmore, Washington. (Kenmore Municipal Code Chapter 5.105)

The 2009 Economic Development Strategy recommended a Business Registration as a good way for the City to connect with local businesses to be able to learn more about the needs of local businesses. Other expected benefits are:

- Provides the foundation for creating a **Kenmore Business Directory** for those businesses with a Kenmore Business Registration who wish to be included in it;
- Helps identify business clusters and other information that helps the City in marketing and designing initiatives aiding local businesses—an example is home based businesses;
- Revenue from the program will be directed to promoting the Kenmore business community and other programs for local businesses, such as the Kenmore Business Alliance; and
- Helpful emergency contact and safety information will be available for public safety agencies.

The City has joined about 60 Washington cities who work with the Washington Department of Revenue's (DOR) Business Licensing Service, for convenient, online registration and renewal services.

Effective March 31, 2014, new and established businesses physically located in Kenmore and businesses that are moving into Kenmore that meet the Kenmore Business Registration requirements listed below, will be required to get a City of Kenmore Business Registration.
