Compost Bin Sale

Start backyard composting to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste—grass, leaves, old flowers—contain mostly water. Once the water dries, rich soil is all that's left.

Compost bins only sold on Sept 13, 2015 at Inglemoor High School from 9 am until sold out. \$25 each - cash only.

No flat beds or dump trucks allowed. We reserve the right to refuse oversized, commercial, contaminated, excessive or unacceptable loads.
