NOTICE OF INFRACTION
YOU MUST RESPOND ON OR BEFORE THE DUE DATE ON THE FRONT OF THIS NOTICE.
You must respond to this Notice of Infraction within 33 days of the date this notice is mailed.
Mailed responses must be mailed (postmarked) not later than midnight on the day the response is due.

This Notice represents a determination that an infraction has been committed by the person named in the Notice and the determination shall be final unless contested as provided in Chapter 46.63 RCW. As the registered owner of the vehicle described on this Notice, your vehicle was facing a steady circular red signal when it failed to come to a complete stop and remain stopped at a clearly marked stop line or other stopping point, at the place, date, and time specified on this Notice. Some images may contain both a steady signal and a fading yellow signal. In these circumstances, the presence of the yellow signal is due to incandescent bulb afterglow; a review of the violation video will clearly show the light to be red. Under RCW 46.63.075 you are presumed to be the driver, but such presumption may be rebutted as outlined below. The monetary penalty established for this infraction is \$100.00.

An infraction detected through an automated traffic safety camera is a non-criminal offense for which imprisonment may not be imposed as a sanction; the penalty for a photo-enforced infraction may include non-renewal of the vehicle registration. The penalty for this infraction, like a parking ticket, will not become part of your driving record. However, failure to respond to a Notice of Infraction or failure to appear for a requested hearing for the purpose of contesting the determination or for the purpose of explaining mitigating circumstances may result in refusal of the department to renew the vehicle registration until any penalties imposed have been satisfied.

TO VIEW PHOTOGRAPHIC IMAGES AND VIDEO:

Photographic images of your vehicle and the vehicle license plate taken at the time your vehicle was detected failing to stop at a red light will be filed along with this Notice of Infraction with the King County District Court. You may view the photographic images and video of this incident online at www.ViolationInfo.com. You must use the Notice # and PIN printed on the front of this Notice to sign in. If you do not have access to the internet, you may visit the local library to view your video and images.

QUESTIONS: If you have questions, contact Customer Service at 1-866-790-4111 between 5:00 AM - 5:00 PM, Monday - Friday excluding holidays.

State law provides that the registered owner of a vehicle is presumed to have operated the vehicle at the time an infraction was detected by an automated traffic safety camera.

IF YOUR VEHICLE WAS SOLD, STOLEN OR WAS OTHERWISE NOT IN YOUR CARE, CUSTODY OR CONTROL AT THE TIME OF THE INFRACTION, you may submit an Affidavit of Non-Liability to rebut the presumption, established in RCW 46.63.075, that the registered owner was driving the vehicle at the time of the infraction. This affidavit states that the car was at the time sold, stolen or in the care, custody, or control of some person other than the registered owner. An Affidavit of Non-Liability form is available at www.ViolationInfo.com.

EMPLOYERS: As a matter of law, a vehicle registered to an employer/principal that is driven by an employee/agent remains in the "care, custody, and control" of the employer/principal. Thus, the employer/principal is responsible for payment of the infraction penalty and may not transfer that responsibility by submitting a sworn statement. Like a parking infraction, an employee/agent may take responsibility for a traffic camera infraction by submitting payment directly to the Court or by requesting a hearing in his or her name.

TO REQUEST A HEARING. Complete the information on the coupon below and make sure the mailing address is showing in the envelope window. For questions regarding hearing options, call the Court at (206) 205-9200.

You will be notified in writing of your contested hearing date. Please review the video at www.ViolationInfo.com prior to requesting a hearing.
