Report on Compliance with Coronavirus State and Local Fiscal Recovery Funds Program Requirements

As part of the American Rescue Plan Act of 2021, the U.S. Department of Treasury provided Coronavirus State and Local Fiscal Recovery Funds (Assistance Listing Number 21.027) to the State and all cities and counties in Washington to provide aid for various purposes in response to the public health emergency.

These funds are federal assistance, subject to audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. In order to provide for more timely and focused audits, the Office of Management and Budget, in the 2023 Compliance Supplement, authorized entities meeting specific criteria to receive a compliance examination engagement in lieu of a regular federal grant audit. Accordingly, the City has elected to demonstrate accountability for these funds through a compliance examination.

Please find attached our report on the City's compliance with federal requirements.

Sincerely,

Pat McCarthy, State Auditor
Olympia, WA

INDEPENDENT ACCOUNTANT'S REPORT

City of Kenmore January 1, 2023 through December 31, 2023

Council
City of Kenmore
Kenmore, Washington

We have examined the City of Kenmore's compliance with the compliance requirements "activities allowed or unallowed" and "allowable cost/cost principles" (the specified requirements) as described in Part IV "Requirements for an Alternative Compliance Examination Engagement for Recipients that would Otherwise be Required to Undergo a Single Audit or Program-Specific Audit as a Result of Receiving Coronavirus State and Local Fiscal Recovery Funds" of the Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) section of the 2023 OMB *Compliance Supplement* (referred to herein as "Requirements for an Alternative CSLFRF Compliance Examination Engagement") during the year ended December 31, 2023.

Management of the City is responsible for the City's compliance with the specified requirements. Our responsibility is to express an opinion on the City's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in the "Requirements for an Alternative CSLFRF Compliance Examination Engagement." Those standards and requirements require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the specified requirements referenced above.

An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent of the City and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our engagement.

Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, the City of Kenmore complied, in all material respects, with the aforementioned requirements during the period January 1, 2023 to December 31, 2023.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; and fraud or noncompliance with provisions of laws, regulations, contracts, or grant agreements that have a material effect on compliance with the specified requirements. We are also required to obtain and report the views of management concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on compliance with the specified requirements and not for the purpose of expressing an opinion on the internal control over compliance and other matters; accordingly, we express no such opinions.

Our examination disclosed no issues that are required to be reported under *Government Auditing Standards*.

A handwritten signature in black ink, reading "Pat McCarthy". The signature is written in a cursive, flowing style.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the Washington State Constitution and is part of the executive branch of state government. The State Auditor is elected by the people of Washington and serves four-year terms.

We work with state agencies, local governments and the public to achieve our vision of increasing trust in government by helping governments work better and deliver higher value.

In fulfilling our mission to provide citizens with independent and transparent examinations of how state and local governments use public funds, we hold ourselves to those same standards by continually improving our audit quality and operational efficiency, and by developing highly engaged and committed employees.

As an agency, the State Auditor's Office has the independence necessary to objectively perform audits, attestation engagements and investigations. Our work is designed to comply with professional standards as well as to satisfy the requirements of federal, state and local laws. The Office also has an extensive quality control program and undergoes regular external peer review to ensure our work meets the highest possible standards of accuracy, objectivity and clarity.

Our audits look at financial information and compliance with federal, state and local laws for all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits and cybersecurity audits of state agencies and local governments, as well as state whistleblower, fraud and citizen hotline investigations.

The results of our work are available to everyone through the more than 2,000 reports we publish each year on our website, www.sao.wa.gov. Additionally, we share regular news and other information via an email subscription service and social media channels.

We take our role as partners in accountability seriously. The Office provides training and technical assistance to governments both directly and through partnerships with other governmental support organizations.
